Tennessee Wildlife Federation has funds available for scholarships to hunters who cannot afford the cost. As a scholarship applicant we ask you to contact at least 5 people or businesses and encourage them to sponsor your hunt. Remember, when you contact potential donors you are a Tennessee Wildlife Federation ambassador; conduct yourself professionally. Explain Tennessee Wildlife Federation and its Hunting and Fishing Academy program. Write thank you letters after you contact potential donors, especially if they agree to make a donation. We suggest you follow up with donors after the hunt. Good luck. Contact Tennessee Wildlife Federation if you need assistance.
