Additional Information

Teams are not required to pre-register. State Championships registration will open as usual on May 12th to the public. The pre-squadding option is to take the pressure off the SHOT system and coaches during a hectic registration period.

Pre-registration is only available for the main 3 events- Sporting Clays, American Skeet, and American Trap. Teams who wish to participate in other events such as Super Sporting, Skeet Doubles, Doubles Trap, and Extended Yard-Line Trap will need to register their team online when registration is open to the public.

Pre-registration forms will be opened in order of the date they are postmarked.
